Taking Afternoon Tea

Black Teas

Lapsang Souchong

One of the worlds most famous tea. The leaves are slowly dried over wood fires to give a rich dark infusion and distinctive smoky flavour.

Decaffeinated Tea

Finest quality tea from Africa, naturally decaffeinated. Brisk, refreshing and full flavoured.

Pure Assam

A full bodied tea with rich aroma and a strong malty taste.

Yellow Broom Breakfast Blend

The ultimate British favourite. A blend of Assam, Ceylon and a lovely Rwandan - to give a balanced, malty, zesty alliance and the most perfect cup of tea.

Earl Grey

Blended with powerful Assam and Rwandan with the more delicate Ceylon and Darjeeling to give the perfect strong tea base to compliment the zesty bergamot.

Darjeeling Tea

Traditionally drunk in the afternoon it tastes equally good early morning. This tea screams sophisticated, floral and fresh.

Green Teas

Mai Feng Green Tea

This tea has a delicate natural taste of fresh summer air, peaches and apricots.

Silver tips White Tea

Refreshing, light and aromatic - Very pure.

Herbal Infusions

Chamomile Flowers

Tea temple filled with only the whole flowers of the Croatian chamomile bush. A beautiful yellow cup which gives way to a sweet, surprisingly juicy flavour of chamomile.

Peppermint Infusion

Using the whole leaf you'll find the flavour of this blend much stronger and fresher. Very minty & refreshing.
